

Start-Up Notice

PCI, 8770 W. Bryn Mawr Ave., Suite 1150, Chicago, IL 60631-3517
Phone: 312-786-0300 | audit@pci.org | www.pci.org

The Producer must notify PCI within 10 calendar days of restarting production.
Use this form to document information concerning start up of operations following a temporary shutdown.
Items of special importance include:

- The start-up date
- Changes in key personnel
- Initial products to be manufactured following start-up

If production operations will be intermittent following a start-up, or if additional similar information should be conveyed to PCI and the Audit Organization, please leave a note regarding this within the comment box below.
